A very enjoyable bracket to judge with a large number of call-back and great discussion over the wines on the table. Quite a cross-section of styles across the top wines ranging from bouncy joven styles to textured, structured and chewy, all showing freshness, fruit density and drive. Watch the oak balance and microbial issues again kept raising there head. A very enjoyable class to judge.

some very strong wines, with young wines showing delicious fruit, complete tannin and charm. Malbec is looking very strong in Australia, some wines possibly better as blenders to calm the tannins or fill out the palate, seems to be brett susceptibility
